

ST. PAUL'S EPISCOPAL NURSERY SCHOOL
2005/2006 SECURITY SYSTEM INFORMATION

St. Paul's Nursery School has a security system in operation during the school day. All doors leading into the Nursery School area of the building are locked and require a key fob for entry. The key fob fits on a key ring and must be passed in front of the card readers found beside the inside doors at the center entrance as well as the office area entrance. Key fobs are kept year round by current families and should only be returned to St. Paul's at the end of your child's preschool years.

There is a \$10 deposit for each key fob which will be refunded when the key fob is eventually returned to the school. Please order a key fob for anyone who will be dropping or picking up your child on a regular basis.

Please complete the form below and return with cash or a check (made out to St. Paul's Nursery School) to Kathi Workman in the school office. The requests should be turned in on your child's first day of school since the security system will be turned on beginning the 2nd week of school.

Thanks for your cooperation!
