The St. Paul's Episcopal Nursery School web site has been designed to include information about the Nursery School for prospective families, and to foster communications between current families and the school. We would like to share pictures of daily school activities and samples of the work the children create. Below is a consent form which would allow us, with your permission, to include pictures of your child on the web site. We will not, of course, identify any child by name.

If you have any questions or concerns regarding this form, please feel free to contact Jane Adams.
